

How To Generate Your API Key

Feature Guide

K. BUSINESS

1 In the navigation menu click on “Business API.”

The image shows a screenshot of the Axo Business API dashboard. A callout box highlights the "Business API" option in the left-hand navigation menu. The dashboard itself features a top navigation bar with "Dashboard" and "Sub Accounts" tabs. The main content area includes an "Account Balance" section showing ₦0.00, a row of action buttons for "Buy Airtime", "Buy Data", "Create Invoice", and "Buy Electricity", a "Pending Payment Approvals" banner, and a "Transaction Activity" section with two sub-tables: "Transaction History" and "Upcoming Invoice Payments".

Navigation Menu (Left):

- Dashboard
- Payments
- Invoicing
- Terminals
- Tools
- Business API**

Callout Box:

Business API

info@axo-int.com

2 Select the “API Keys” Option.

The screenshot displays the Axo Integrated Business API dashboard. On the left is a dark sidebar with a menu. The main content area shows account balance, transaction history, and upcoming invoice payments. A callout box highlights the 'API Keys' option in the 'Business API' menu.

Business API Menu:

- Home
- API Keys
- Documentation
- Test Console
- Settings

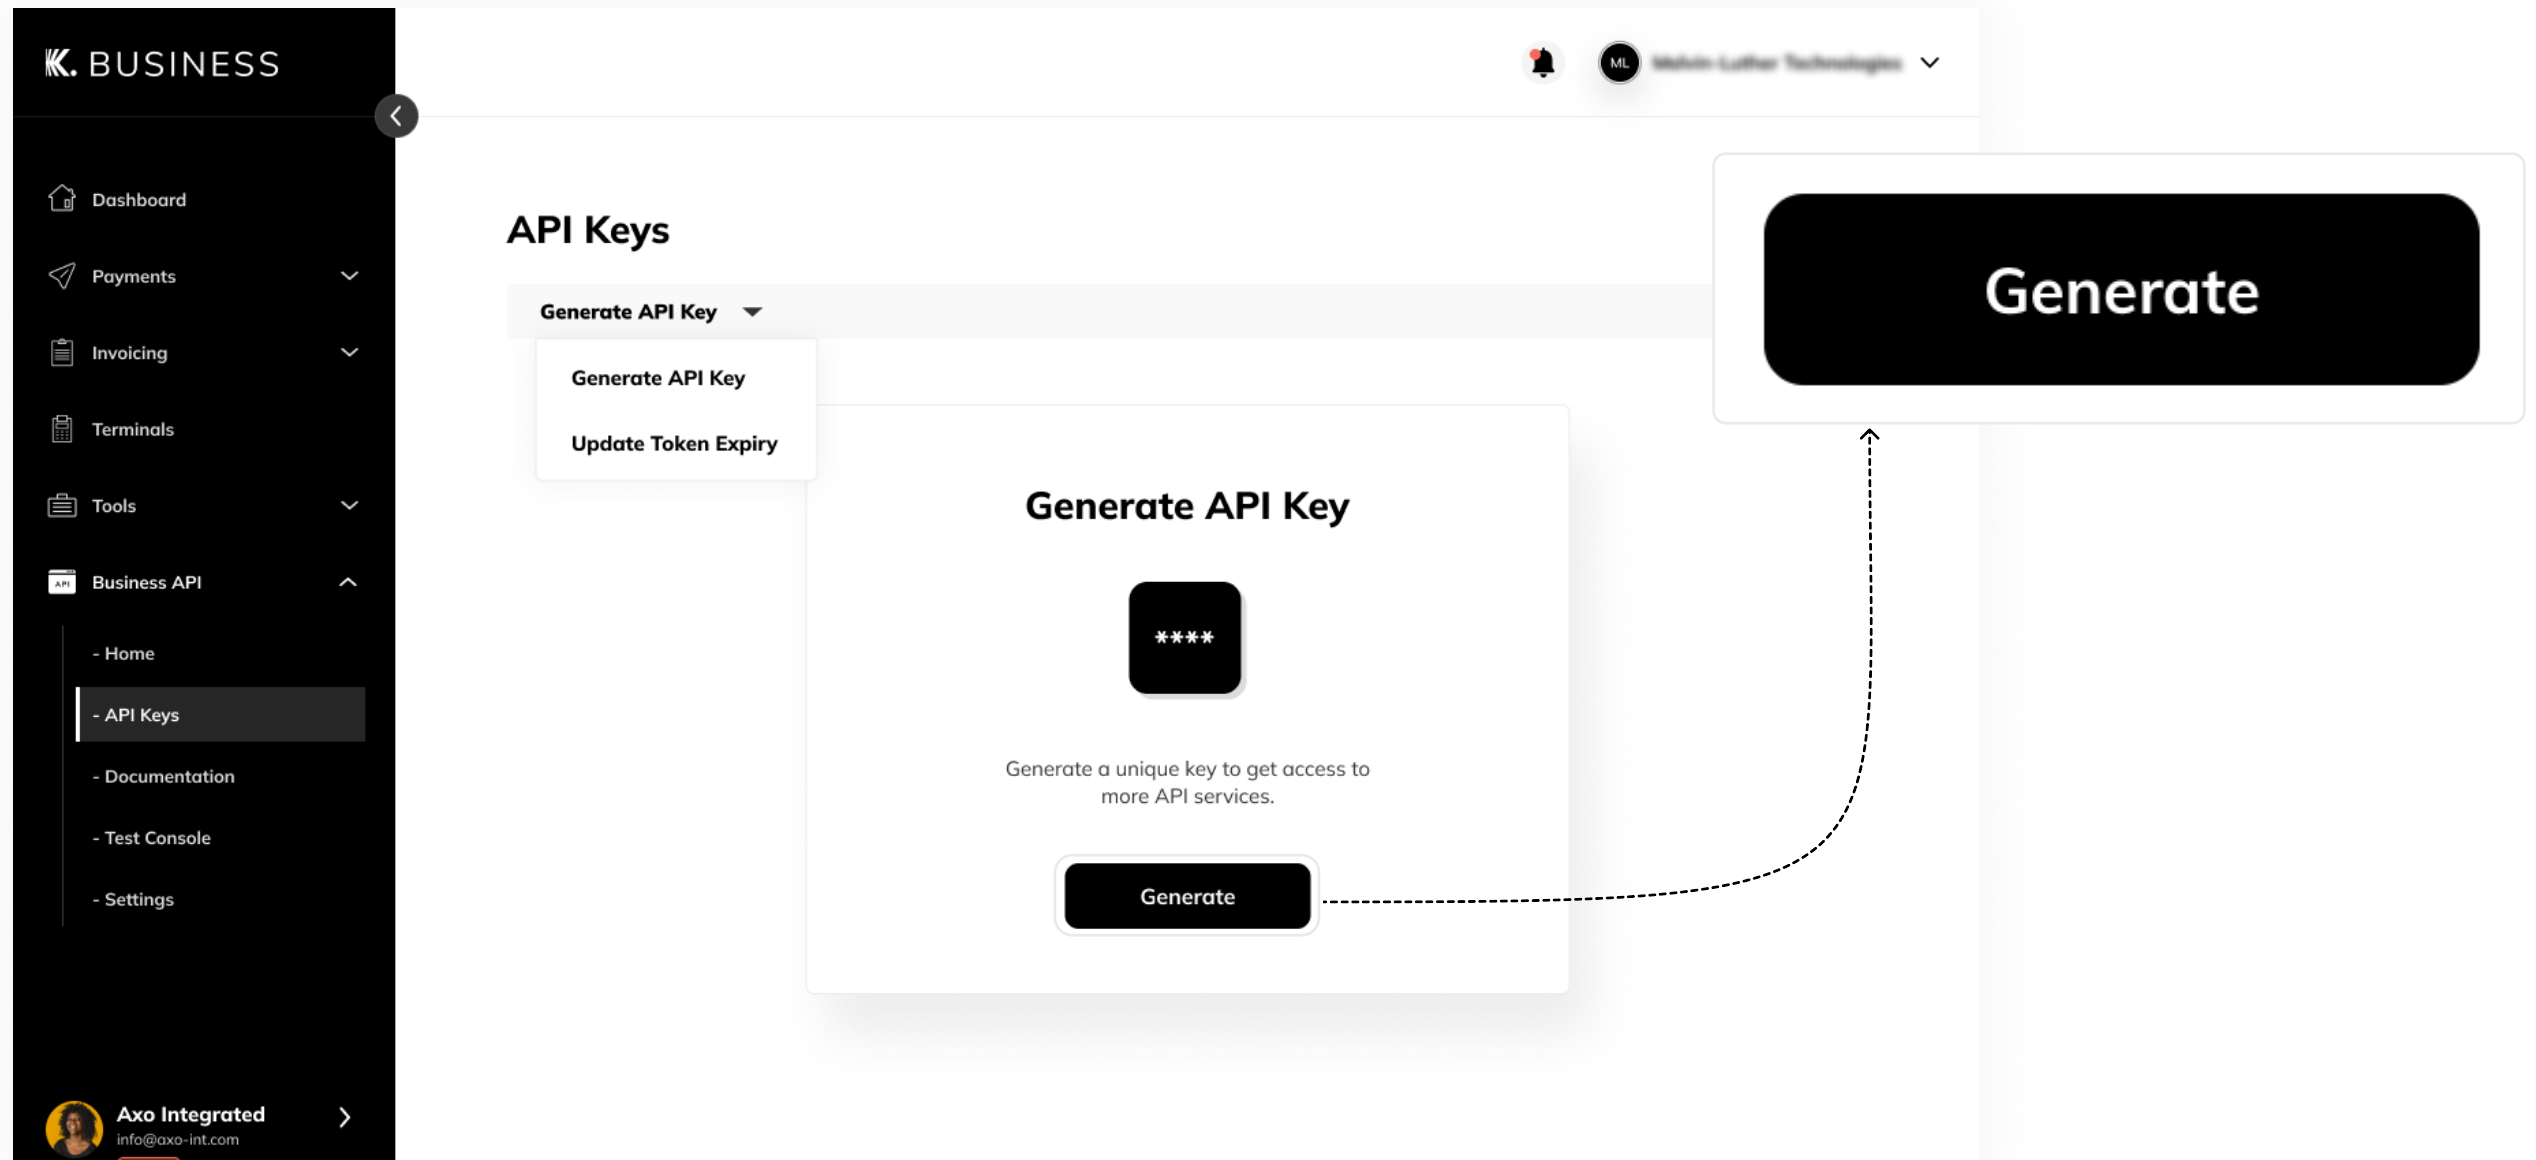

Dashboard Content:

- Account Balance:** ₦0.00 (Last updated 2s ago)
- Transaction Activity:** See upcoming payments, recent transactions and track your spend limit.
- Transaction History:**

Transaction	Amount
Wu Shengda	₦50,000.00
Chen Lijun	₦22,000.00
- Upcoming Invoice Payments:**

Invoice	Status	Amount
Wu Shengda	Pending	₦8,350,000.00
Chen Lijun	Pending	₦1,020,000.00

3 At the page bottom, click on the “Generate” button.

4 Click “Copy” to copy generated Key

The screenshot displays the Axo Integrated web application interface. On the left is a dark sidebar with the 'K. BUSINESS' logo at the top. Below the logo are navigation links: Dashboard, Payments, Invoicing, Terminals, Tools, and Business API. The Business API section is expanded, showing sub-links: Home, API Keys (highlighted), Documentation, Test Console, and Settings. At the bottom of the sidebar is the Axo Integrated logo and contact information (info@axo-int.com). The main content area is titled 'API Keys' and features a 'Generate API Key' button. A modal window titled 'Generate API Key' is open in the center. It contains a black box with four asterisks (****) representing the API key. Below this, a message states: 'You can only use your API key once. It'll disappear after you've copied it.' Underneath the message is a text box containing the API key 'a23lodiou23dgo#2ka893hj9' and a 'COPY' button with a clipboard icon. At the bottom of the modal are two buttons: 'Update Token Expiry' and 'Done'. A dashed line connects the 'COPY' button in the modal to a larger, semi-transparent callout box on the right. This callout box displays the API key 'a23lodiou23dgo#2ka893hj9' and a 'COPY' button with a clipboard icon, illustrating the result of clicking the copy button.

5 Select the “Done” button to complete.
